WHERE: I-15 FROM AFTON RD. TO FIELD RD.

Due to a breakdown at the contractor's paving plant, one of two lanes on southbound Interstate 15 will remain closed from Afton Rd. to Field Rd. The lane closure is approximately one mile in length. The pavement has been removed and the lane cannot reopen until the paving is completed. The lane is expected to reopen at 11:00 a.m. tomorrow, Thursday, April 27, 2006.

The ongoing construction project on Interstate 15 through Barstow will continue with the nighttime paving schedule through Labor Day 2006.
